

CONVERSATION CONNECTORS

Describe your most memorable moment from every decade starting with the current decade and going back.

If you had to compare your occupation to an animal, what would it be and why?

What is your favorite way of connecting with your co-workers when you can't see them every day?

Did your job/occupation exist 50 years ago? If yes, how do you think it changed? If not, how did it come to be?

When you were a teenager, what did people predict you would be doing for work?

If you are not currently working, what would you like to do?

If you chose to go back to school tomorrow, what subject would you study?

What is the most useful skill someone taught you?

What is the best advice you've received when it comes to working with people?
